- SECTION 1.** The carrier shall be liable for physical loss of or damage to any articles from external cause while being carried or held in storage in transit EXCEPT for condition or flavor of perishable articles, and EXCEPT documents, currency, money, jewelry, watches, precious stones or articles of extraordinary value which are not specifically listed on the bill of lading, and EXCEPT loss or damage caused by or resulting:
- (a) From an act, omission or order of shipper;
 - (b) From insects, moth, vermin and ordinary wear and tear;

 - (d) From (1) hostile or warlike action in time of peace or war, including action in hindering, combating or defending against an actual, impending or expected attack (A) by any government or sovereign power, or by any authority maintaining or using military, naval or air forces; or (B) by military, naval or air forces; or (C) by any agent of any such government, power, authority of forces, (D) acts of terrorism;
 - (2) any weapon of war employing atomic fission or radioactive force whether in time of peace or war;
 - (3) insurrection, rebellion, revolution, civil war, usurped power, or action taken by governmental authority in hindering, combating, or defending against such occurrence, seizure or destruction under quarantine or customs regulations, confiscation by order of any government or public authority, or risks of contraband or illegal transportation or trade;
 - (e) From strikes, lockouts, labor disturbances, riots, civil commotions, or the acts of any person or persons taking part in any such occurrence or disorder;
 - (f) From Acts of God.

SUBJECT, in addition to the foregoing, to the further following limitations on the carrier's liability:

The carrier's maximum liability shall be either:

- SECTION 2.** The carrier shall not be liable for delay caused by highway obstruction, faulty or impassable highways, or lack of capacity of any highway, bridge or ferry, or caused by breakdown or mechanical defect of vehicles or equipment, or from any cause other than negligence of the carrier; nor shall the carrier be bound to transport by any particular schedule, means, vehicle or otherwise than with reasonable dispatch. Every carrier shall have the right in case of physical necessity to forward said property by any carrier or route between the point of shipment and the point of destination.
