

Below are screen shots you will see when you log into the system for the first time. You will enter your Username (which is the same as the ARPS system). All users passwords will be set to Password1.

GDOT
Georgia Department of Transportation

Login Page

Welcome to the Georgia Truck Routing and Intelligent Permitting System!

Please login below to order permits and manage your account.
If you do not have an account, you can [create one](#).

Enter your username and password

Username: x

Password:

[I forgot my password.](#)

Remember me on this computer

Help is provided throughout the system. A question mark icon is displayed if a field has a help message associated with it. Hovering over the icon displays a brief explanation of the field; clicking on the icon will display a detailed help message.

Once you enter your Username, Password and click Submit, the system will prompt you to reset your password.
Now, enter a new password, retype the password for verification and click Submit.
